How do we practice democracy in our school?

How does Parliament work in the UK?

The main business of Parliament is making laws, asking questions and raising concerns.

This is done in two houses - The House of Commons and the House of Lords.

Local MPs are voted in by their constituents - the people who live in their area.

They split their time between Parliament and their constituency.

They hold surgeries in that their constituents can attend.

House of Lords

House of Commons

Voting for Mini Leaders

Voting for clubs

Choosing what we have for dinner each day

Choosing what we do at playtimes

Voting when we have debates in class
