

Dear Parents/Carers

Hello and welcome to our weekly newsletter and what a week it has been! A heatwave and water issues, all topped off with a thunderstorm! I would like to start by saying a huge thank you to staff who have coped in extreme heat this week as well as the issues we had with the water. Their hard work and determination has meant that we have been able to keep school open all week and I am very grateful for all that they have done. A big well done to the children who have also worked hard and listened to all of our safety advice to look after themselves.

Thank you to all of you who attended our family picnic, it was such a lovely event and great opportunity to all come together in glorious weather. We look forward to welcoming you all back for our upcoming Sports Mornings over the next few weeks.

The Year 3 camping experience was a big success last night. The children have learnt how to put up and take down a tent, organise and look after their belongings and have practiced staying away from home with school friends for the night. All of these experiences help to develop their resilience, give them valuable life skills and create core memories.

Thank you to the staff who gave up their time to make this happen and well done to all children who took part. That is another year of our valuable residential experiences over with and we look forward to more trips away next year.

SPORTS MORNINGS:

Our Sports Mornings start next week and we are really looking forward to seeing you all there.

Reception - Monday 29th June 9.15am

Year 1/2 - Tuesday 30th June 9.15am

Year 3/4 - Wednesday 1st July 9.15am

Year 5/6 - Thursday 9th July 9.15am

A few reminders so that the events run smoothly:

- Children will need to be in their PE kits and bring a bottle of water. Please apply sun cream and make sure they are wearing a hat if the forecast is for hot/sunny weather.
- We are an inclusive school and some races may be adapted so that all of our children can take part in a way that is appropriate for them.
- If anybody requires first aid during the event, please see a member of staff in an orange high-vis vest.
- We are a mobile free school and it is important to set a good example to the children. We are happy for you to take pictures of your own children but please do not take photos of other children or share your photos on social media as other children may be in the background. Please put your phones on silent and do not use them to call, message/check social media during the sports mornings.
- No vaping or smoking is permitted on any part of our school site - you will be asked to leave the event if you smoke or vape. The gate will not be opened to let people out to smoke or vape.
- If you need to leave the event early for work or another valid reason, please let Mrs Hamill know in advance so we can ensure an adult is available to escort you.
- If you or any preschool children need to use the toilet during the event., please let a member of staff know so that they can escort you to the visitor toilet.
- The start time for all sports days is 9.15am. The gates will close as normal at 8.50am to enable us to get the children in and complete registers, they will reopen at 9am so that you can make your way to the field and take a seat. They will close again promptly at 9.15am. Any late-comers will need to go to the office and wait to be escorted. This may delay you as this is one of our busiest times of the day. Our advice is to arrive on time so that you do not miss any races.

- Parents are expected to be respectful and uphold our school values during events and will be asked to leave the event if they are not doing so.
- Children will stay with their teachers on the mats when they are not doing their races, please do not call them over to you. This helps us with supervision and in making sure children are where they need to be to start their races. They will be able to come and say goodbye to you before you leave.

SCHOOL AGE HOLIDAY CARE:

This is your final opportunity to have your say on school-age holiday childcare.

North Yorkshire Council is mapping parental demand for holiday childcare provision across the county. As part of this work, the local authority has developed a short survey to be completed by parents and carers of children aged 4-14.

Your views will provide a better understanding of the childcare needs of families and will help shape future services.

The deadline to reply to the survey is 5pm today, Friday 26th June 2026. The survey should take approximately 5-10 minutes to complete.
