

Dear Parents/Carers,

Hello and welcome to our newsletter. This week we have had two extremely successful transition days. The children settled into their new classes incredibly quickly and have used the time to get to know their teacher and teaching assistants, their new classmates and of course to do lots of learning. Parents in Mr Sleightholme and Mrs MacFadyen's classes are welcome to pop in after school today to say hello. Everybody else will get a chance to do this on our next transition day on Tuesday 15th July.

### **MINI LEADERS:**

Our Mini Leaders have been busy spending the last of their budget for this year and have ordered new stilts, bungee jumpers and some target games. They had to work together to keep track of their spending and stick to their budget. When their order arrives they will be unpacking it and delivering it to the playground.

### **SCHOOL SITE REMINDERS:**

Please remember that the whole of our school site, including the car park and front of school is strictly no smoking and no vaping. This also applies once children have gone in or before they come out.

Dogs must only be on the grass behind the two lines of parked cars, they must not be held or carried out of this area.

Parents are responsible for supervising their children at all times before and after school. We are getting more regular instances where parents have not seen if their child has gone through the gate on a morning and have to come and ask us to check for them. Parents must also make sure that their children are not riding bikes and scooters around the car park and on the paths nor on the hill or climbing trees and fences. Please remain vigilant and ensure your children are fully supervised at all times to keep everybody safe.

### **PARENT CONDUCT:**

Please ensure that any clothing and accessories you have on school site, or wear to school events does not cause offence to others and is appropriate for children. Any items with swear words, offensive emojis/logos or imagery relating to illegal drugs is not suitable and you may be asked to leave site or the event.

### **YEAR 3/4 ROMAN DAY:**

Year 3/4 had a visitor from Murton Park this week to learn all about life in the Roman times. The children learnt about how the Roman Empire expanded and how life changed in England. The children handled lots of artefacts and used their reasoning skills to work out what they were used for all those years ago. The children learnt to write in Roman script and made an oil lamp. The day finished by learning about the different weapons and armour, which was a firm favourite.

### **YEAR 5/6 CRICKET:**

On Wednesday 18th June, the Year 5/6 cricket team played at the finals tournament in Richmond. They had five games against other winning schools: Dunnington, Guisborough, St Augustines, Pallister Park and Glusburn. The team won three of these matches and only lost out on a fourth victory by two runs! This placed them overall joint 3rd out of over 300 schools in North Yorkshire. They continued to be (as they have in every competition prior) fantastic role models. We are so proud of what you have achieved - well done!

## GAS SAFE CHARITY FUNDING:

Choices4Energy at the North Yorkshire Council has funding available until September to help homeowners with low income and/or disability to pay for measures that address potential gas safety, gas leaks or CO poisoning (<£36,000 household income, other criteria may apply). This includes measures such as repairs and servicing of gas boilers, fires and cookers. Badly fitted or poorly serviced gas appliances can put you and your family at risk. There is a maximum grant of £500 per household, and we are encouraging homeowners to check gas appliances now to ensure they are safe to use, ready for winter. Contact us now on 0300 131 2 131 and ask for Choices4Energy, or visit [Choices4Energy | North Yorkshire Council](http://Choices4Energy | North Yorkshire Council) for more information.
