

Dear Parents/Carers,

Welcome to our final newsletter of the Spring term which has gone in the blink of an eye! I hope you all have some lovely plans for the Easter break and will get time to do the things you love with family and friends. Our final Open the Book assembly took place yesterday with the children learning the final part of the Easter story. Thank you to our volunteers who run these assemblies, the children absolutely love them and we are very grateful to the team.

We have noticed an improvement both before and after school with a lot more children sticking to the rules to keep everybody safe. Thank you for your support with this and keep up the good work!

Huge congratulations to our Year 5 children who have blown our socks off with their excellent behaviour on their residential to Liverpool. Miss Potter, who led the trip, received many compliments from people who were impressed with our manners, respect and enthusiasm. Some lifetime memories have been made. Thank you to all of the staff who attended to make this trip possible.

CLUBS:

A reminder that all clubs finish this week - we will be in touch after the Easter break with details of our summer term clubs and how to sign up for them. Thank you.

NURSERY AND WRAP AROUND CARE:

A reminder that we are now in a consultation period until 9th May and you can give us your feedback by clicking this link:

FOOD SAFETY:

Please carefully consider the following safety advice for children who are not yet 5 years old when preparing food for packed lunches to help us minimise the risk of choking:

Food safety advice for children age 5 and under How to reduce the risk of choking

Food preparation:

- remove any stones and pips from fruit before serving
- cut small round foods, like grapes, strawberries and cherry tomatoes, lengthways and into quarters
- cut large fruits like melon, and hard fruit or vegetables like raw apple and carrot into slices instead of small chunks
- sausages should be avoided due to their high salt content, but if offered to children these should be cut into thin strips rather than chunks and remove the skins
- remove bones from meat or fish
- do not give whole nuts to children under five years old
- do not give whole seeds to children under five years old
- cut cheese into strips rather than chunks
- do not give popcorn as a snack
- do not give children marshmallows or jelly cubes from a packet either to eat or as part of messy play activities as they can get stuck in the throat
- do not give children hard sweets

SAFEGUARDING:

The gaming platform Roblox announced some new safety measures this week including parents being able to block games and children's friends. To read more about this, click here:

YEAR 1 CREATURE WORKSHOP:

Last week the Year 1 children had a very exciting start to their Science learning as Lee from Captivating Creatures came into our class with a variety of animals to explore. The children were introduced to the 5 main animal groups and taught how to identify whether an animal is a mammal, bird, reptile, amphibian or fish. We were so proud of how resilient the children were as many were very brave and held a snake as well as having a tarantula on their head!

GOLDEN LETTERS:

Congratulations to our Golden Letter recipients this week:

Isla B, Leighton M, Ayeza S and Oliver W

Keep up the great work!

NEW MENU:

We have an exciting new menu starting after the Easter holidays, the full menu can be found on our website:

YEAR 6 FAMILY LUNCH:

Thank you so much to everyone who attended our Year 6 Family Lunch this week, it was very well attended and lovely to see you all enjoying your lunch and spending time with your children in the sunshine after!

AND FINALLY:

Today we are saying goodbye to Mrs Teasdale who is moving on to a new part time role at another school. I would like to thank her for everything she has done during her time with us and wish her well as she moves on.

Have a lovely Easter break

Your support for your child's education is crucial to their progress. Please let us know if there are any adjustments we need to make to help you support your child, for example: letters in large font; in different languages; wheelchair access; explaining things over the phone?

Spare newsletters are available in the rack outside the school office, together with holiday forms and permission to administer medicine forms. Tel: 01347 821282 email: admin@easingwoldprimary.co.uk.
