

Dear Parents/Carers,

Hello and welcome to our newsletter. This week we have seen some fantastic creative work from our Year 3 and 4 children when they performed their play to the whole school and parents. We have been thrilled with their confidence, musical and dance ability and how clearly they delivered their lines. Very well done and thank you to all of those involved.

It was also lovely to see our Year 2 parents in school this week for our family lunches. I have been getting super feedback about how lovely it is for parents and family to see lunchtimes in action and to play with the children afterwards. We were having so much fun this week, we forgot to take some photos, sorry!

SCHOOL LUNCHES:

Due to rising costs, I have been informed by our catering company, Taylor Shaw, that the school meal price will rise to £2.76 from 1st April.

YOUNG CARERS:

Does your child or a young person aged 8-18 you know have a significant caring role, including looking after a relative with a disability, illness, mental health condition, or drug or alcohol problem if so, support and advice can be accessed through this link:

<https://www.carersplus.net/our-services/young-carer-service>

ROBLOX:

Those of you who have children who play on Roblox, you may be interested to read this BBC article. It explores some of the dangers of the platform which you may not be aware of:

EPIC:

A big thank you to EPIC and all of you who help to raise much needed funds for school. Our new hall projector and speakers were fitted this week and they are already providing much better visual and sound quality. The next project that will be partially funded by EPIC is a new astro pitch surface in the KS1 playground which is due to be completed over the Easter holidays.

EPIC desperately needs helpers to run their events and continue fund raising as support is dwindling. If you can help in any way please contact Devon Wells.

SID THE THERAPY DOG:

We welcomed Sid, our therapy dog, back into school this week. We were all so happy to see him and Holly. If you feel your child would benefit from some therapy sessions with Sid, please contact me for a chat and a consent form.

More information can be found here:

CAREERS FAIR:

A HUGE thank you to those of you who attended our first ever Careers Fair last Friday. It was a roaring success and the children showed so much interest in talking to our visitors about their various careers. They asked some fantastic questions. Events like this are so important as they show our children the limitless options they have in life and provide ideas and inspirations for their futures. We will certainly be planning to make it one of our ECPS traditions.

Keep up the great work!

MENU CHANGE—THURSDAY 20TH MARCH -

Next Thursday 20th March, we are having some essential works carried out in our kitchen. This means that we will not be able to offer hot meals on this day but we will be offering a picnic lunch instead!

Children will be able to order their sandwich of choice (cheese, egg, tuna or ham) which will be served with a homemade sausage roll (or veggie sausage roll) and mixed salad, followed by shortbread. Lunch on this day can just be ordered as normal.

Your support for your child's education is crucial to their progress. Please let us know if there are any adjustments we need to make to help you support your child, for example: letters in large font; in different languages; wheelchair access; explaining things over the phone?

Spare newsletters are available in the rack outside the school office, together with holiday forms and permission to administer medicine forms. Tel: 01347 821282 email: admin@easingwoldprimary.co.uk.
