

Dear Parents/Carers,

Hello and welcome to our newsletter. We have had a fantastic day celebrating Number Day. Thank you for all of the effort you have put into the costumes, the children have had so much fun and there has been a real buzz around school about number and maths.

GATES:

It is of the utmost importance that staff who are on gate duty are not distracted from supervising children and ensuring everybody's safety. Please could I politely ask you again to not pass messages on or ask questions of staff on the gate. These need to be passed on through the correct channel as I explained in last week's newsletter. Thank you in advance for your support on this matter.

STAFFING UPDATE:

Mrs Goodyear will be leaving us on Friday 28th February to take up a new role. We wish her well as she moves on and I would like to thank her for the work she has done during her time with us. We will be saying goodbye to her in a special assembly before she leaves.

FUTURE PROVISION:

As a growing school in an ever expanding town, the Governors would like to gather parent and community opinion about the future provision of school based, teacher-led Nursery places, school-led wrap around care and school-led holiday care. This is to help us to plan strategically for the future needs of our families and community. Please complete this short market research survey before Monday 24th February.

If you know anyone with Nursery aged children please forward this form on to them so that they can complete it.

GOVERNOR VACANCY:

We are looking for a co-opted governor to join our Board. This means that you have skills that could be of use in a school environment, like management, finance, administration and so on. We meet 6 times a year split between on line and in person meetings and ask our governors to undertake visits to school once a term to make sure we are on track to achieve our development plans.

If you are interested in helping to support our school and our children in a different way, we would be delighted to hear from you. Please contact Nikki Rowbottom on

chairofgovernors@easingwoldprimary.co.uk

for more information or a no obligation chat about what being a governor involves.

MESSAGE FROM OUR CAREER AMBASSADORS:

We are the Year 6 Career Ambassadors and we are excited to announce we will be holding a careers fair in our school hall to celebrate Careers Week 2025. We would love for you or your family/friends to come into school and let us ask questions all about your jobs. Some of us know what job we'd like to do when we grow up, but lots of us still need to be inspired. If you are able to attend, please fill in the link below.

Date: Friday 7th March 2025

Time: 1pm - 3:30pm

KS2 COMPETITION:

Our Environment Ambassadors are launching a KS2 competition, with the aim of reducing littering in our local community. On their behalf, Mrs Hargreaves has been in touch with Easingwold Town Council, who have agreed to display two new signs at Millfield Park - designed by our pupils. Children have been told about the competition in an assembly.

To enter, they need to design a poster on A4 paper asking people to stop littering, and maybe giving some reasons why. Colourful and clear posters are often the most eye-catching! Two entries will win first place, having their posters turned into a sign for all to see. We will have some small prizes for second and third place entries. The closing date is Friday 28th February. Children can hand them in earlier if they wish. Please can all entries be handed into the school office. Good luck!

Have a lovely weekend.

Your support for your child's education is crucial to their progress. Please let us know if there are any adjustments we need to make to help you support your child, for example: letters in large font; in different languages; wheelchair access; explaining things over the phone?

Spare newsletters are available in the rack outside the school office, together with holiday forms and permission to administer medicine forms. Tel: 01347 821282 email: admin@easingwoldprimary.co.uk.
