

Dear Parents/Carers,

Hello and welcome to our latest newsletter. The children were really excited to see the first frost this morning and so many of them saw the Northern Lights last night! If you missed it, there may be another chance tonight, fingers crossed.

Here is a fantastic photo taken by Stevie PT from Reception last night, we have a budding photographer on our hands!

SAFEGUARDING:

If you hear your children talking about 'Jeffy' or see them watching videos, please be aware this character is intended for adult viewers only and is not appropriate for children.

At first glance, the puppets and other muppet like characters appear friendly but in reality the videos include a lot of swearing and they trivialise serious issues such as suicide and learning disabilities.

MOBILE PHONE SURVEY:

I have had a fantastic response to the survey so far. To clarify, our current mobile phone policy is that children who have permission to walk home are able to bring their phone with them but must drop it at the office when they arrive and collect it at home time. There are no plans to change this rule or to allow children access to their phones during the school day. If you haven't already, please complete the short survey by clicking here:

Your support for your child's education is crucial to their progress. Please let us know if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone?
