

Dear Parents/Carers

Welcome to this week's newsletter. It has been wonderful this week to see it officially feeling like Spring has sprung: with the children playing on the KS2 field and all enjoying the sunshine. It's been another busy week, with lots of wonderful achievements to celebrate. The Year 5 children have started in groups to complete their Bikeability course. I have witnessed them taking it very seriously and learning the key to being safe when riding on the roads. Please ask them about their learning to help ensure they will be safe and proficient cyclists.

### **BINGO NIGHT - YEARS 2-6:**

There are still a few spaces left for our Bingo Night on Thursday 30th April from 3.30pm-4.30pm for children in Years 2-6. Please go to the 'Clubs' section of your Arbor App to book a place for your child! It costs £3, please ensure you make payment when you sign up.

### **YEAR 5/6 FOOTBALL:**

Firstly, thank you to the parents for transporting the boys to our match against Clifton with Rawcliffe yesterday. The boys had to dig really deep as they were a very good opponent. At half time, we were 3 - 1 down and had to slip further into defence. The final score was 7 - 1 but if it hadn't been for some excellent defending (from incredible defenders) and relentless shot stopping (from our keeper) it could have been a much wider gap. I was very proud of their resilience. Well done team.

### **SEN SPOTLIGHT:**

Let's Make Sense Together is a free resource that anyone can use, developed by healthcare professionals from York and Scarborough Teaching Hospitals Foundation Trust. It provides information and support to children and young people with sensory processing differences.

Here you can find a series of videos to help parents, carers, teachers, and others who support children with sensory processing differences. You'll also find helpful advice sheets and links to other support and information. The information has been created by local therapists.
